DARE TO BE DIFFERENT

Our Hope

- Our students will be able to identify their strengths
- Positive interactions between staff and students
- Build community connections

Let's Make
Welcoming
Connections

The word "HOPE" is written in large, bold, hand-painted letters. Each letter is a different color: 'H' is pink, 'O' is olive green, 'P' is yellow, and 'E' is blue. The letters have a slightly textured, brush-stroke appearance.

STORIES

A bright, glowing star with eight distinct rays emanating from its center, set against a deep blue background filled with numerous small, distant stars. The rays are a lighter blue, creating a starburst effect.

Future Hopes

- 
- Pilot project for grade 8
 - Peer mentorship
 - Continue our adventures
 - Grow and change our gathering space

A light green brushstroke background with a textured, hand-painted appearance. The stroke is horizontal and slightly curved, with visible bristles and varying shades of green.

Thank you!
